

## **CONTENT COPYRIGHTS**

### **1. Content Copyrights**

IMAXX TV Digital Private Limited ["IMAXX TV"] respects the intellectual property rights of others and expects the same from its users, creators, and contributors. The following outlines the copyrights policy for content on the IMAXX TV platform:

#### **1.1 Ownership of Content**

All content available on IMAXX TV, including but not limited to web series, movies, shows, short films, music, images, graphics, software, text, and other materials [collectively referred to as "Content"], is either owned by IMAXX TV or licensed to IMAXX TV by the content creators, filmmakers, or licensors. The copyright for each piece of content is retained by the original creators or right holders unless otherwise stated.

#### **1.2 Content Uploaded by Users and Creators**

If you are a creator or filmmaker uploading content to IMAXX TV, you affirm that:

- You own or have secured the necessary rights, licenses, permissions, and clearances for the content, including any music, images, or third-party materials used in your content.
- The content complies with IMAXX TV's guidelines and does not violate any third-party rights, including copyright, trademark, or privacy rights.
- You grant IMAXX TV a worldwide, non-exclusive, royalty-free, transferable license to display, stream, distribute, and promote your content across our platform via AVOD, SVOD, and TVOD formats.

#### **1.3 Copyright Infringement Claims**

IMAXX TV respects the rights of copyright holders. If you believe that content on IMAXX TV infringes upon your copyright, please contact us with the following details:

- A description of the copyrighted work you claim has been infringed.
- A description of where the infringing material is located on our platform.
- Your contact information, including email and physical address.
- A statement by you, under penalty of perjury, that the above information is accurate and that you are the copyright owner or authorized to act on behalf of the owner.

IMAXX TV will take appropriate action in response to copyright infringement claims, including removing infringing content and terminating repeat infringers' accounts.

#### **1.4 Fair Use and Creative Commons**

IMAXX TV allows content that follows fair use laws or is licensed under Creative Commons, as long as the content and its use comply with applicable laws and regulations. However, you are responsible for ensuring that such usage is properly licensed and attributed.
